I'm sorry, but this wasn't anything I was expecting. I was looking for something that would help me daily with my devotions, but I just can't make any sense with these written words. Not to mention, my copy seems to have lots of 'non-english' words????

I'm going on a spiritual holiday this coming Holy Week, a Roman Catholic tradition that I hold dearly.

This book is a wonderful guide I can use while I devote my whole week to Jesus as I reexamine myself.

I read daily devotions. My favorite is Max Lucado's Grace for the Moment. It was so inspiring and challenging at the same time. In comparison, I find the formatting of this book a little distracting, too many spaces in between paragraphs. Content-wise, the day to day devotion is okay. But to have only thirteen days in all is not enough. We have 365 days in a year and that's a total of 365 daily devotions. There's room for improvement here if the goal is to really grow in a relationship with Jesus.

This book was very inspirational, motivational and I love the content! The book will bring you to Christian life and of course closer to God. The book also offers unique and meaningful prayers that will guide you, it also consists of raw biblical scriptures, brief illustrations, and so much more! Overall, it is a well-written book that must read! Good job to the author!

This is a great short read on using the bible for life and meditation. It gives a verse and how to use it to apply to your life in different situations. If you are Christian and devoted to the bible and want to bring it more to your life read this book.

Though most of us are too busy with our daily lives. We should consider making a good relationship with our creator. As for my part, I would start it by having a Bible study session with my family and this book comes in handy. It gave me a good guide in which to start and progress daily. I will surely keep this one as reference and will definitely keep this as my guide in developing my relationship with the almighty. I highly recommend this to other readers as well.

Great bible study guide for morning devotions. Learning more and drawing closer to The Lord are always important and the layout of this devotion guide is very helpful. the devotions are very inspiring, easy to understand and since I don't have much time to read the bible, this came in really handy.

This guidebook is insightful and helpful. By the help of this book I have learned lots about Jesus. This is a Christian life study guidebook and it is very well written. Actually, I always like to communicate with God privately. A few days ago, my girlfriend suggested me about this book. The

author of this book did an amazing job and it's really appreciated. By reading this book I have learned about how to see spiritual works with the spiritual eyes. By reading this book I have also understood about the benefits of experiencing the word of God and I did not know about it before. This book really opened my eyes and helped me to boost my knowledge. It is perfect bible study guide book and I will suggest this book to all.
