Customer Reviews

This book is adorable, in an easy to read format. This book is really funny! I chose 5 stars because, it has headings. like when it says cops. Hilarious. It was much needed medicine. After a hard day's work, this was exactly what the doctor ordered. I recommend it to everyone!

This is an excellent jokes guide written by this author. There a good selection of jokes in this book to keep your amused. This I recommend to everyone who wanted a good laugh after having a long day at work or having a bad day. There are actually jokes that I haven't heard before which are very funny and nice to share with friends while hanging out. Hope you will enjoy this excellent guide!!

I started cracking up after reading the first jokes. It's really full of hilarious and I find these ones even funnier than other jokes. It's just a short read but you would definitely get some laughs out of it.

This book is hilarious. It's prefect if you want to forget about the world and have a good laugh. You

can open the book on a random page and have a quick laugh anythime. The Irish have a different humorous way of thinking, that throws a conventional serious state of mind out the window. Great stuff.
