Otra Vuelta De Tuerca [A Turn Of The Screw]

Synopsis

Otra Vuelta de Tuerca es una historia gotica - una de las mas famosas de su genero. En medio de una reunion un hombre cuenta la historia de una institutriz y su terrible experiencia criando a dos ninos. Este libro ha sido la base de innumerables obras de teatro, pelÃfÃ-culas, y libros. A Turn of the Screw is a gothic story - one of the most famous of this genre. In the middle of a gathering, a man tells the story of a governess and her terrible experience taking care of two children. This book was the basis for a great number of plays, films, and stories. Please note: This audiobook is in Spanish.

Customer Reviews

Very imaginative. It's not easy to be original when right about every possible story has been used already for novels, but this one shows the creativity of the author. It manages to keep suspense going all through the book. It is not science fiction, but rather about the role ghosts can play in two little children's and an adult woman's lives. It's never said if the ghosts are anywhere but in the characters' imagination. I read it in the Spanish edition, and the translation is excellent, without localisms that could not be understood by all the Spanish speakers. In short, recommended in whichever language.

Tiene una buena historia y mantiene el suspenso, aunque de forma irregular.
