Customer Reviews

No matter what medium is your cup of tea, Roberta Clark will guide you in producing those beautiful portraits. Her guidelines and instructions are easy to understand and implement.

I find the examples extremely helpful for trying to work on portraits and I'm just getting started in doing portraits myself. I plan on using this as a guide.

The book is in excellent condition and arrived promptly. I love the book, and my Artists Groups are always borrowing it. It is the best book I've found in drawing children.

Bought this for an artist friend.
