Customer Reviews

Although this tiny book is not what I expected, I was thoroughly delighted with it. Ms. Brennan's paintings are amazing and made me think of Gerald Murphy's paintings - Mr. Murphy was the father of one of Ms. Brennan's best friends, Honoria - only from the perspective of the very small. Quite charming. Quite good.

The book was ordered uses but was in great shape and was a big hit... Just wished I would have purchased a larger book... this book was a small one and not easy to fully see detail... I did not see any details on the size of the book.

This collection of paintings by an artist most are not familiar with is wonderful for anyone regardless of art appreciation experience. These are the most whimsical little treasures you will ever see...most reproduced actual size...mere inches! This is one of my top 50 books out of my collection of thousands! CHECK IT OUT!!

This little book is the next best thing to actually having her work. I just wish it had EVERY painting in it.

I agree with the previous review. I bought this book years ago at an art gallery in Hawaii. The

pictures of Brennan's paintings are clever and intriguing; they make you smile. Though they are only prints, I may mat and frame a few on them one day, if I can bear to tear them out of the book!
