## **Customer Reviews**

Actually, I was a bit disappointed with this calendar to find that it consisted of paintings and not photos. The paintings are good and quite horsey, and I just hope that the recipient (it's a Christmas gift) likes it....

I was disappointed this year that this calendar no longer has the bible scriptures on it like it has in the past. I purchase several each year because of the great pictures but also because it has the bible scriptures each month. It is still a nice calendar but now it is just a horse calendar, I can get those almost anywhere

Another lovely horse calendar by Leslie Harrison. I buy one every year and enjoy her images all year long.

Beautiful Calendar !!!!!

Lesley is an amazingly talented artist. Those prints in the calendar are NOT photos. They are paintings. I've been getting her calendar for several years now and I'm not tired of them.

Love, love, love this artist and this calendar, I have been buying this for my office wall for years and often get compliments on the beauty of the artwork.
