I'm very excited to be able to add this coloring book to my collection. I love adult coloring books and this one is no exception. All images are printed on high quality paper, and I've found that using my Stabilo pens to color doesn't make it bleed through (if you are worried, a sheet of paper behind each page while you're coloring should make sure you don't get the color on the next page!). There is just one image per page (the back is blank) but you do get 20 pages to color and enjoy! Overall, great buy.

Marginally funny, but I would not consider it an adult coloring book. It is more like a poorly drawn cartoon book. Look at the pics of the inside and compare to other "coloring books" before you buy. I purchased as a gift and would not give it-because I think it is crap.

Great for the gag gift we purchased it as. Becoming less funny now that he's so close to our presidency.

Need a 2nd and 3rd version now though lol. Fun to have sitting around for a conversation starter. Haha!

The book was ridiculous and not acceptable. I want to return it and there was no receipt on the box! HELP!

Had a great laugh.Must have ,especially if you are a fan ^f

What's not to like???

Very funny!
