Synopsis

Do you love fashion? Then this is the book for you! Pretty dress designs for the fashionista to color! Bring out the inner designer in you with these unique and beautiful dress designs by artist Collette Renee Fergus . You get to decide how they look, and choose what ever colors you desire. If youâ™re the type of colorist who likes to complete a project in one sitting then this is the book for you, most designs have been created to finish in an evening, some a little longer, so no more half finished designs that annoy you and nag you to get completed. Loose yourself in the designs and develop that peace and harmony that adult coloring books can give you. All dresses in this book are hand drawn,they include dresses from the 1800s through to 1920s, 1950s and modern fantasy themed with some Steampunk thrown in for good measure. There are 29 dress pages along with 6 accessories style pages (because all good dresses need accessories!) and some bonus pages that fit the theme from Colletteâ™s other books. Created with love by Collette Renee Fergus, a New Zealand Artist.Please check out my listing on my own website for a selection of coloured images from the book for your peek inside extra! In all honesty I have bought close to 100 books from to color in while disabled and dont have high expectations any more and often throw them in the "gifts for Christmas" pileSO I WAS SO EXCITED WHEN I GOT THIS ANF FLIPPED THROUGH AND LIKED MOST EVERY PAGE! What a beautiful book. I cant wait to start coloring! I wish I could show my pages when I do themlol. Thank you so much for making my day!

I just ordered 3 copies of Collette Fergus's latest book. The Dress Book II. I fell in love with Collette's first dress book!! She is simply a fantastic artist!! Love her books. She has a nice selection of art work available. From lace mandalas, beautifully hand drawn dresses and her fun character Chardonnay Minx Party Girl!! Buy one of her books and you will be hooked on Collette Fergus!! I was not giving any discounts for my opinion on this book however I did get to see a sneak peek of a few dresses in this new book and they are sure to please the eyes and open up your creativity in all the possibilities for your coloring pleasure!! Enjoy!! I know I will..

This book is already my favorite, and I've only had it 24 hours!! It has beautiful artwork as well as a couple blotter pages to put behind your coloring page and a page just to test your pens and pencils on. Collette Fergus has made this book full of every type of dress and accessories a girl could ever ask for, of all the books I own this will be the one I will finish completely! If you are looking for a fun book with elegance, look no further, you have found it here!!!!!! This is sure to be a favorite for all colorists!
