"Amazing Grace" is a coloring book which includes lyrics and illustrations by artist Suzanne Khushi to match to one of the most beautiful Christian hymns of all time. The hymn speaks to an individual's ability to receive salvation and the mercy of God, regardless of what sins they may have committed. I memorized the first verse as a young child attending Sunday School and then, later in life when I became a Christian, I learned the rest of the song which really spoke to my situation in life. I will provide details on what I found in the book below, but as a quick overview, here is what I discovered: 45 full page designs printed on one side of page 45 pages of light illustrated lyrics on the back of pages. Designs printed on white heavyweight perforated paper glue binding. Designs stop before perforations. Alcohol-based markers bleed through the paper. Water-based markers and Pitt

India ink pens leave shadows on back of page gel pens do not leak throughout coloring pencils work fantastic with this paper The hand-drawn coloring book has 45 pages of designs which depict the portion of the lyrics directly opposite the design page. It also has 45 pages of lightly illustrated lyrics. The lyrics are printed on the page opposite the design (thus, on the back of the preceding design page.) The designs are a wide variety but with scenes of nature taking the most part. There are a number of designs which are directly Christian in their inspiration (such as crosses, praying hands, etc.) This hymn was written by John Newton in 1773. Newton had been involved with the slave trade when in 1748, in the midst of a horrendous storm, when all thought their ship would go down, he cried out to God to save him.
