# Furniture Design: An Introduction To Development, Materials And Manufacturing

## Synopsis

Furniture Design is a comprehensive guide and resource for students and furniture designers. As well as discussing pioneering contemporary and historical designs, it also provides substantive answers to designers' questions about function, materials, manufacture and sustainability, integrating guidance on all of these subjects â “ particularly material and manufacturing properties â “ in one accessible and structured volume. Many leading contemporary furniture designers from around the world are included, with case studies carefully selected to highlight the importance of both material and manufacture-led design processes. The book is also intended to provide an insight into furniture design for those considering a college education in product and industrial design.

## Book Information

Paperback: 224 pages

Publisher: Laurence King Publishing (October 1, 2013)

Language: English

ISBN-10: 1780671202

ISBN-13: 978-1780671208

Product Dimensions: 8.8 x 0.8 x 11.2 inches

Shipping Weight: 2.1 pounds (View shipping rates and policies)

Average Customer Review: 4.8 out of 5 starsÂ Â See all reviewsÂ (4 customer reviews)

Best Sellers Rank: #219,345 in Books (See Top 100 in Books) #59 inÂ Books > Arts & Photography > Decorative Arts & Design > Furniture Design

## Customer Reviews

In perfect condition.

Great book with plenty of useful info for inspiring designers.

Shipped quickly. Great book for the fundamentals.

nice book
