The Oatmeal 2016 Wall Calendar: How To Tell If Your Cat Is Plotting To Kill You

Synopsis

If your cat brings you a dead animal, this isn't a gift. It's a warning. The How to Tell If Your Cat Is Plotting to Kill You 2016 Calendar gives this and other telltale signs that you should be wary of seemingly innocent Mr. Kitty in classic The Oatmeal style--which means boldly illustrated and wildly funny. A re-issue of the best-selling 2013 edition, the How to Tell If Your Cat Is Plotting to Kill You 2016 Calendar is just the thing for fans of The Oatmeal, cat lovers, and anyone with an offbeat sense of humor.

My husband got these, when I took it to work my co-workers just laughed over some of the scenes. So I got another one for a friend who moved and she loves cats. Will know her thoughts when she gets it next week.

if you have a cat, you need this calendar

This was bought as a gift for my daughter... It came on time and she loved it!

It's a calendar, it's got the right dates and months and year. The pull out poster is a little stupid, because you have to wait until two months are over to pull it out and use it.

Only a cat lover understands. This is one of the cutest calendars. Absolutely hysterical.

This is for a gift. The illustrations look funny. The fold out poster is super funny. I highly recommend this calendar.

Your average calendar. The Oatmeal. Hilarious as always. Made a great gift to replace the one from the year before.

I bought this as a gift, it is very funny for any cat owner. I wish I had gotten one for myself.
