Pray And Color: A Coloring Book And Guide To Prayer By The Best-selling Author Of Praying In Color

Synopsis

This is not just another coloring book. It's a guide to prayer for anyone who wants to connect with God by creating something visual and concrete. Since 2007, thousands have enjoyed learning a new prayer practice called *Praying in Color* from Sybil MacBeth. This new coloring book and guide includes an introduction to fourteen types of prayer, along with 32 pages to color. Sybil teaches how to use these types of prayer while you color: Prayers for Others, Prayers for Yourself, Disgruntled Prayers, Gratitude Prayers, Praise Prayers, Regret Prayers, Spending-Time-With-God Prayers, Blessing Prayers, Praying for Enemies, Praying with Scripture, Praying Your To-Do List, Daily Inventory Prayers, Hodgepodge Prayers, Prayer Calendars. Slowing down isn't easy in our culture where stimulation and constant virtual connection are the norm. If you find the transition from busyness to stillness difficult, follow Sybil to a slower, more contemplative pace through coloring as prayer and as spiritual practice. Praise for *Praying in Color* — Readers of all ages, experience and religions will find this a fresh, invigorating and even exhilarating way to spend time with themselves and their Creator. — "Publisher's Weekly" Starred Review

I love this book! I have Sybil MacBeth's other books, including her *Praying in Color*. I discovered Sybil's books on . This "Coloring Book" is a great way to introduce drawing, doodling, and coloring into your prayer life. It is a way to pray when you don't know exactly what to pray for. The book

comes with instructions and suggestions for improving your prayer life by incorporating illustrations, writing and drawing. You can use the pre-done illustrations to add names, subjects, and color. She has details on her website and Facebook page if you want more information. I highly recommend this as a useful book and a great gift!

In this book, MacBeth walks readers through her own personal experiences with prayer, and suggests lots of different prayer forms that will help you grow closer to God through praying in color. The book is full of templates that have already been created for your use. Simply sit down with your colored pencils, markers, or other favorite utensils, and let your mind and heart rest. Put away your devices. Invite God into your space. And then color and listen. I've found that coloring while I pray kinda forces me to be still and listen. And you may find that you learn a little about your own prayer life as you do this, too! Try coloring as a bridge to an island of inner quiet and prayer, the book says. Inner quiet and prayer who couldn't benefit from a little more of that? This would make a great gift! I think it'd be especially great for 6th grade to adults since coloring books are very "in" right now.
