Customer Reviews

My favorite wall calendar! Have bought this one for years as my go to wall calendar to get me through each year. Love the natural seasonal settings and beauty of the horses in each shot. Have been contemplating and encouraged by others to do a calendar of our rare breed of horses and maybe I will someday, but until then, this one will be on my wall each year!

The quality of the item appears to be different from the one I purchased last year - the paper and ink is less matte and more shiny. I would prefer it to be more matte. However, I am still satisfied with this item, given the fact that the quality is still great in every other way.

This is always a very nice calendar and I've had one every year. Love the horses and all the beautiful works of art included in the calendar.

beautifully calendar. employee bought for loves it

Large spaces to write in appointments. Very easy to see. I have vision problems and this calendar is very easy to read. It has some beautiful horse pictures.

horse paintings, not pictures, for each month. If you like horses, this is for you. Get wrought iron Calendar frame with it, you won't regret it.

I love my Lang Calendars, but the mail person that delivered it left it out in the rain & it got wet. It is drying out though.

I love these calandars. I get one as a gift and one for myself every year!
