INSTRUMENTAL POSTER SERIES - Alto Saxophone

Synopsis

Santorella Publications is proud to present our Instrumental Fingering Poster Series. PERFECT FOR THE BANDROOM, CLASSROOM, PRIVATE STUDIOS OR SIMPLY AS A BEGINNERS QUICK REFERENCE GUIDE WHILE PRACTICING AT HOME. These graphic 11 x 17 illustrations of assorted Brass, Reeds, Wind & Stringed Instruments are printed on heavy (100 lb) wall-mountable sturdy stock. This constantly expanding series currently includes Trumpet, Flute, Alto Sax, Trombone, Clarinet, The Circle of Fifths, French Horn, Tenor Sax, Euphonium, Tuba, Recorder and Violin. Each poster displays the complete range of each instrument by depicting a complete chromatic scale with fingering for each note, including every alternate enharmonic substitution. Each Fingering Poster also includes a Circle Of Fifths; diagram printed on them as well. This diagram is an essential tool for understanding how accidentals determine the key signature. Learning all the keys is an imperative element of music study which is the reason we also created a separate Circle Of Fifths; full size poster, dedicated towards accomplishing this task. Santorella began in this industry by making a big splash with quality products written for brass, reed and stringed instruments. After spending over 20 years to successfully grow an extremely diverse catalog, we strongly feel that we have successfully re-established our roots. Be sure to keep your eye on Santorella Publications as we make a conscious effort to return to the mother ship, and take the lead once again in developing fun, exciting, and challenging new products for all instruments.

Customer Reviews

When I was beginning alto sax, I wanted a handy fingering chart. I settled on this poster, framed it and hung it next to my sax. I still refer to the chart for fingering a few notes. If something doesn't sound right, I can check my fingering. The Circle of Fifths being on the chart is also convenient.

Thought it was bigger, so now I feel like it's a bit too pricey. But whatever, it'll do for my purposes.

Easy to use to find the correct placement. My only complaint would be the chart isn't very big so you do have to stop and find the right note. Not a quick glance.

Excellent fingering chart. It has an old fashioned look to it. Arrived quickly. I wish it was bigger but it's thicker than normal posters.

Works great thumb tacked to the wall right in front. Nice large and easy illustrations to see while your practicing...

Nice sturdy poster. It hangs in my music room and is useful for a quick reference.
