Back In The Days Coloring Book

Synopsis

Straight from the old-school streets of NYC at the dawn of the hip-hop scene comes *Back in the Days Coloring Book*. Here is your chance to redraw the birth of old-school hip-hop fashion: hangin' in Harlem, kickin' it in Queens, and cold chillin' in Brooklyn. Based on the legendary and original street-style book, *Back in the Days* by Jamel Shabazz. Style with an attitude not seen in fashion for another 20 years to come, Shabazz's subjects strike poses that put supermodels to shame—showing off Kangol caps and Cazal glasses, shell-top Adidas and suede Pumas with fat laces, shearling coats and leather jackets, gold dookie chains, door-knocker earrings, name belts, boom boxes, and other 80s designer finery. Featuring 30 original drawings, it's now your turn to get in on the action. Pull out your Crayolas and markers and help everyone look their best by adding your own vibrant colors to these fly outfits. Fun for ages 1 to 100.

Customer Reviews

From the moment I saw this I knew I wanted it! I'm a hip-hop scholar and couldn't wait to sit this on my coffee table. Once it arrived I was even more excited. I'm scared to actually color in it. I will definitely buy more copies for others and probably another for myself to practice my coloring skills :) I love the author's work. He is a gatekeeper and pivotal to the culture and I wish him much success.
