Customer Reviews

Prokofiev is an amazing composer, and I was so excited when I heard that he had written a piece for flute! This sonata contains many varied moods, and showcases all of the essential skills of the well-rounded flutist. Be it technical skill, tone quality, or expressive playing, there are challenges for players of all types. The flute and piano parts compliment each other perfectly, and this sonata is really a team effort. Both parts are important and together sound amazing. This is one of my favorite flute pieces, and I'm really happy my teacher assigned me the 1st movement!

Very nice book for teaching flute to students, great price, arrives on time and in good condition.

This product satisfies me completely. Try it everyone, you won't regret. This piece is beautiful, I bet you'll like it.
