# Conviction: The Untold Story Of Putting Jodi Arias Behind Bars

## **Synopsis**

Juan Martinez, the fiery prosecutor who convicted notorious murderer Jodi Arias for the disturbing killing of Travis Alexander, speaks for the first time about the shocking investigation and sensational trial that captivated the nation. Through two trials, America watched with bated breath as Juan Martinez fought relentlessly to convict Jodi Arias of murder one for viciously stabbing her ex-boyfriend, Travis Alexander, to death. What emerged was a story wrought with sex, manipulation, and deceit that stunned the public at every turn. Arias, always playing the wronged and innocent woman, changed her story continually as her bizarre behavior surrounding the crime and its aftermath came to light. Unwavering, Arias and her defense team continued to play off the salacious details of the case until she was finally found guilty and - controversially - sentenced to life behind bars. Now, speaking openly for the first time, prosecutor Juan Martinez will unearth new details from the investigation that were never revealed at trial, exploring key facts from the case and the pieces of evidence he chose to keep close to the vest. Throughout the trials, his bullish and unfaltering prosecution strategy was both commended and criticized, and in his audiobook, Martinez will illuminate the unique tactics he utilized in this case and how they led to a successful conviction and - for the first time - discuss how he felt losing the death penalty sentence he'd pursued for years. Going beyond the news reports, Martinez will explore the truth behind the multiple facades of Jodi Arias. Sparring with her from across the stand, Martinez came to know Arias like no one else could, dissecting what it took for a seemingly normal girl to become a deluded, cunning, and unrepentant murderer. With new stories from behind the scenes of the trial and Martinez's own take on his defendant, the book takes you inside the mind of Jodi Arias like never before.

## **Book Information**

Audible Audio Edition

Listening Length: 12 hours and 25 minutes

Program Type: Audiobook

Version: Unabridged

Publisher: HarperAudio

Audible.com Release Date: February 16, 2016

Whispersync for Voice: Ready

Language: English

ASIN: B0176XMQI2

Best Sellers Rank: #4 in Books > Law > Rules & Procedures > Trial Practice #9 in Books >

## Customer Reviews

I preordered this book and inhaled it from start to finish in one sitting. I followed the Arias trial from opening statements to her sentencing, becoming an admirer of Juan Martinez' due to his apparent photographic memory and knowledge of all the evidence and his skillful and relentless courtroom style as he won justice for Travis Alexander and his family and friends. It was amazing to read how Martinez was able to pull off a couple of true "Perry Mason" moments during the trial. He shares how he came across the infamous gas can evidence in the form of a collection of receipts in a shoebox in Arias' room at her grandparent's home in Yreka, California. Arias had made sure she "had the gas receipts" to prove she was  $\infty$  nowhere near  $\bullet$  Mesa, Arizona and the murder. However, Martinez famously produced the gas receipts from California and Salt Lake City with the accompanying bank records proving that she had 3 gas cans.. And having 3 gas cans was indicative of premeditation  $\bullet$  therefore knocking self-defense off the table. He sheds light on the so-called  $\infty$  pedophile letters  $\bullet$  that were discussed in a hearing but never admitted as evidence in the trial. The utter unprofessionalism and dishonesty that most people observed by the Arias defense team during the trial was proven to be accurate when Martinez discloses that Nurmi , a female defense attorney and an investigator showed up unannounced (and unidentified as Arias  $\text{TM}$  defense team) to Deanna Reid  $\text{TM}$ s home purporting to be people  $\infty$  involved in the case  $\bullet$  who wanted to ask some questions about Travis  $\infty$  off the record.  $\bullet$  The female defense attorney tried to be  $\infty$  chummy  $\bullet$  with Deanna and produced one of the forged  $\infty$  pedophile letters  $\text{TM}$  for her to read which also contained unflattering things about Deanna.
